2012-2013
University of Florida
Department of Materials Science & Engineering
Undergraduate Scholarship Application

These grants are sponsored in the field of Materials Science and Engineering or Nuclear Engineering and do not depend on the financial need of the applicant.

Scholarship Application Deadline: October 1, 2012

1. Name (Last, First, Middle) ______________________________________________________
   UFID ___________________________ E-mail Address: ______________________________
   Current UF cumulative gpa (if applicable): _______ Current UF Upper-Division gpa (if applicable): _______

   Class: _____ Freshman _____ Sophomore _____ Junior _____ Senior

   Major: (circle one) Materials Sci & Engineering Nuclear Engineering

2. My primary interest is (check): ______ Ceramics ______ Nuclear Engineering
   ______ Electronic Materials ______ Nuclear Eng Sci – Pre-Med
   ______ Metals ______ Nuclear Eng Sci – Pre-Med Physics
   ______ Polymeric-Biomaterials

3. Briefly describe why you chose MSE/NE? __________________________________________
   ________________________________________________________________________________
   ________________________________________________________________________________
   ________________________________________________________________________________

4. What do you intend to do after graduating? (grad school, industry, etc.) ________________
   ________________________________________________________________________________
   ________________________________________________________________________________
   ________________________________________________________________________________

I understand that to receive the scholarship, I must be enrolled in the Department of Materials Science and Engineering or the Nuclear Engineering Program at the University of Florida. By submitting this form I confirm my understanding of this requirement.

Submit this form and your résumé electronically to academics@mse.ufl.edu or submit to 108 Rhines Hall no later than the close of business on October 1, 2012.
